

Implementation of IP Code

We would like to inform you of the implementation of IP Code on April 1st, 2022. As we informed in the meetings during the last World and European Championships on the implementation of the IP Code this year, after preparing the right software, we would like to inform you that from April 1st all players participating in the tournaments registered in the official calendar must be in possession of the current paid IP Code.

What's the IP Code?

The I.P. Code (International Players Code) is the code which identifies all players as Player Members of IFBT. It permits players to participate in the tournaments registered in the calendar of the International Tour, and in the development of the Sportive Committee.

The Player Members will pay a reduced annual fee which can be pay online.

How can I know if I have IP Code?

If you have played an official IFBT tournament in recent years, you already have an IP Code.

– Go to the main menu, select IP Code >> Search IP Code.

MEMBERS ZONE LOGIN I.P. CODE LEARNING CENTER REGULATIONS ▼ CONTACT US English ▼

ABOUT IFBT ▼ CALENDAR RESULTS I.P. CODE ▼ RANKINGS ▼ WORLD CHAMP ▼

SEARCH I.P. CODE

– Enter your name and if it exists the IP Code, Name and Country and Country of residence will appear.

The status of Player Members allows participation in sporting and cultural events organized within the IFBT environment. Player Members can participate in all activities, Committees, and in the new bodies created in the future, and that appear in the Statutes or Internal Regime. The Player Members can set up a Sportive Committee which will be the only body of communication between the athletes and the Executive Committee for the aspects that affect them.
