Beach Tennis Ravda

Is Autumn the End of the Beach Tennis

Season in Europe?

IFBT members prove that it's not!

On October 8th and 9th in Ravda (Nessebar municipality, Burgas region) the international tournament UNITED OPEN RAVDA 22 took place. This event was organized on a very special occasion – 10 years of Beach Tennis Burgas took and 5 years of Beach Tennis Ravda.

The weather was very nice, sunny and on the beautiful seashore, with lots of smiles and positivity, the competitors showed sportsmanship, physical culture, fair play and very beautiful performances.

In the Women's Doubles category Mirena Boycheva and Kalina Popova won. Dobril Savov and Marin Dimov were the winners on Men's Doubles. It wasn't the last champion title for Dobril Savov, because during the same tournament, with Ludmila Bondrenko he won the mixed category beating Kalina Popova and Jordan Angelov.

A week later 2 400 km north of Ravda in Lithuania another exciting IFBT tournament took place. This weekend, the tournament was held in Kaunas, Bangas Sport Arena. Over 70 players from Vilnius, Panevėžys and Klaipėda were competing in 6 different divisions with special guests from Latvia.

Upcoming European Members meeting in Barcelona

We are honored to invite all our European Members to the meeting on November 19, 2022 in Barcelona, the headquarters of IFBT.

We look forward to our members participation in this meeting not only to present our organization profile and current activities which we undertake, but also to hear your opinions and ideas about their development - especially the ones related to launching new European projects and initiatives.

The purpose of the meeting is to discuss the action plan for 2023 and involve our members in planning future activities that will help to promote Beach Tennis among Europe and spread our values. Agenda includes presentation of IFBT objectives, presentation of our new registration and management system, international development opportunities and many more.

If you want to share your ideas and have an impact on the future of European Beach Tennis, please don't hesitate to contact IFBT Members from your country and share your message with them.
