A player can only participate in one team competition

Participating players must have the nationality, residence or citizenship of the Countries, States or Regions.

In the case of residence or citizenship, they must have lived for at least six months before the competition date.

The IFBT Executive Committee reserves the right to evaluate the conformity of each individual registration, also considering any expulsions of the team in the event of irregularities.

Fill and send the registration form to: international@ifbt.eu

Registration payments will be made before the deadline September 1st, 2024

Fees: 50 euros per team. Under categories free
